RULES:

The BCSSA Rules and Regulations as published in April 2010 will apply.

All member clubs, competitors, coach, officials or individuals attending the Championships shall abide by the Code of Conduct as stipulated in Section 3 Conduct of The Administration of the BCSSA Rules and Regulations and in this meet package. Any members or individuals who violate or fail to comply with the BCSSA Code of Conduct, or rules and regulations may be disciplined at the sole discretion of the Meet Manager. Disciplined members or individuals may be appealed to the BCSSA Provincial Board. The decision rendered by the BCSSA Provincial Board on the matter shall be final.

STARTING SYSTEM FOR SPEED SWIMMING:

The Omega Timing System (ARES 2.24b) will be used as the approved automatic judging and timing system for the Speed Swimming Championships in accordance with the current BCSSA rules. The Omega Timing System will be backed up by three (3) electronic plungers per lane. The electronic plungers are approved part of the automatic timing system per January 24 & 25, 2009 BCSSA Board Resolution. Electronic plunger will be operated by lane timers and recorders. Electronic plunger results shall be recorded and reported to 100^{ths} of a second only. If a malfunction or light touch invalidates the touch pad results, the electronic plunger results are considered as the Official times. Swimmers with identical Official Times shall be tied both for places and time in accordance with Swimming Section 8C.3. and 9B.3.

Should the automatic judging and timing system fail for an extended period of time (20 minutes or more), the Championships will proceed with manual timing (3 stopwatches with "starting gun", see *Swimming Sections 8 B and C 4, 5 & 6 of the BCSSA rule book*) until the electronic judging and timing system is running again. Should a failure occur between Heats, the remaining Heats of the event will be postponed and then swum once the automatic system is running again. BCSSA Swimming Rule Section 2C.10 (20 minute rule) governing re-swims will apply.
