

Ladner Stingrays Swim Club

www.ladnerstingrays.com

Hi,

The Ladner Stingrays have some very exciting advertising/sponsorship opportunities to offer you to help you get your name out there to thousands of people. We offer excellent value and exposure for your dollars and as well you are helping out the youth in the South Delta Area.

- After the highly successful first annual Stingray Super 7 we are busy planning for this year's meet which will be held June 18/19th at Watermania in Richmond. I have attached a sponsor rate sheet outlining the various levels and types of advertising and sponsor opportunities available

- Our club is also looking for 5 sponsors of \$150 for our coaches clothing, your logo will be embroidered onto the coach's tracksuits which are to be worn by the coaches at the practices as well as the meets which are held mostly around the Lower Mainland.

- The Stingrays also are making a new banner which is to be hung up at swim meets and the local pools etc. and we still have a few spots still available for \$100 ea.

- Our club is also celebrating its 40th season which means we are having various special events one of which is a 40th Anniversary Party at the Ladner Community Center on May 7. We are looking for items for door prizes etc if possible

- Last but not least, during the year there are opportunities that our club could use small promotional items, trinkets etc, if your business has and would like us to distribute them at any of our meets, events etc please let us know.

Thanks In Advance,
Lorne Gerrard
